MANJAR CREATION

Every day we discuss and work on new ideas to provide greater comfort and updated support to the Army.

Daily innovation and discussion drive our mission to support the Army with better comfort and modern solutions.

At Manjar Creation, every product is designed with one thought – to support the strength and comfort of our soldiers.

- “Our mission is to create reliable gear that stands strong with the Indian Army in every condition.”
- “Innovation, strength, and comfort are the values behind every product we design.”

MANJAR CREATION

Sling Bag 9P

Sling Bag 9P is designed to carry daily essentials in a compact and organized way. It features multiple pockets to keep items safe and easy to access.

Tactical Vest 01 VestBP Harness New Bag

The Tactical Vest 01 Vest BP Harness is a strong and lightweight gear bag designed for commandos to carry essential equipment safely and conveniently during operations.

Its ergonomic design and durable material make it reliable and comfortable, even in tough conditions and high-movement situations.

BP JACKET

BP Jacket Bags are specially designed tactical carriers used by the Indian Army to safely hold and organize weapons and essential combat equipment.

Made with strong and durable material, these bags ensure quick access, better protection, and ease of movement during operations.

TACTICAL VEST

A Tactical Vest acts like a reliable partner for soldiers, keeping their essential gear secure and always within reach.

It helps them stay prepared, respond quickly, and move forward with confidence in every situation.
